

Curate Like A Pirate

AHOY Mateys! Do you enjoy searching for resource gold to share with your students and teachers? Then, join us to learn more about Destiny Collections!

Destiny Discover will soon be updated to include a new tool called **COLLECTIONS**. **Destiny Collections** will enable you to curate and share customized collections of all your library treasures, digital content and online resources in an engaging and interactive format. In addition, participants will preview additional new features coming to Destiny Discover for 2017-18 with the Destiny 15.0 update. Register for **one section** in the Workshops: Summer PD Catalog. Participants will receive a stipend.
