Notes/Highlights
- Access notes and highlights you added to the eBook.
- Export your saved notes to Google Drive™ and Microsoft® OneDrive.

To page forward or back:
- Click the forward and back arrows (if available on your device).
- Use the right and left arrows on a keyboard, or swipe on your device.

Sweet Spheres

Mom asks Justin to help her pick a bag of oranges.

An orange looks like a shape called a **sphere**. A sphere has no edges and no corners. These shapes have just one face. The face goes all around the sphere!

The objects shown below have a sphere shape.

Objects with 3-D shapes can be piled.
