

High School Digital Citizenship Implementation Plan for 2020-21

Digital Citizenship instruction is required for all students in Grade 9-12 in accordance the [BCPS Digital Citizenship Scope and Sequence](#). HS Library Media Specialists will coordinate implementation in collaboration with school leaders to ensure that all students receive this mandatory instruction.

- **Links to Slam Dunks & Schoology Assessments** are available in:
 - **Schoology > Secondary Library Media Group > Resources > HS Digital Citizenship 2020-21 folder.**
 - Slam Dunks are also listed on the [HS Digital Citizenship ORM/Slam Dunk Index page](#) @ bcpslibrarymedia.pbworks.com.
 - Slam Dunks are provided in PPT and PDF formats. PDF format enables direct links to certain database content.
 - PPT version can be customized; if so, save the revised Slam Dunk PPT file as a PDF to enable direct links to certain database content.
- **Schoology Assessments** for each lesson are required and must be assigned by the teacher, or the teacher can add the Library Media Specialist to their Course as an Admin to enable them to assign an Assessment.
- **A template for structuring a Slam Dunk on Schoology pages** is also available in the HS Digital Citizenship folder, as an alternative to the PPT/PDF. LMS can make a copy of the Slam Dunk Template folder and copy-paste Slam Dunk content onto Schoology pages for student access.

Grade Level	Digital Citizenship Slam Dunks	Implementation Suggestions
