

Click the Library button on the toolbar.

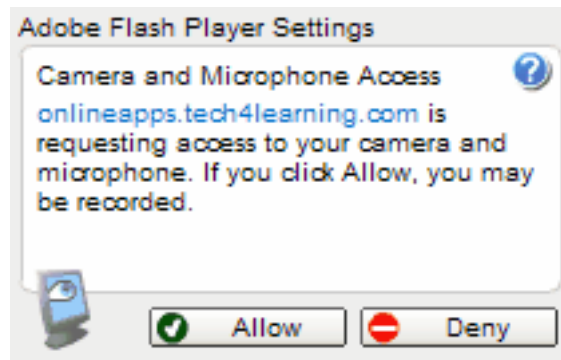

You will see the Library panel.

Click the Camera button.

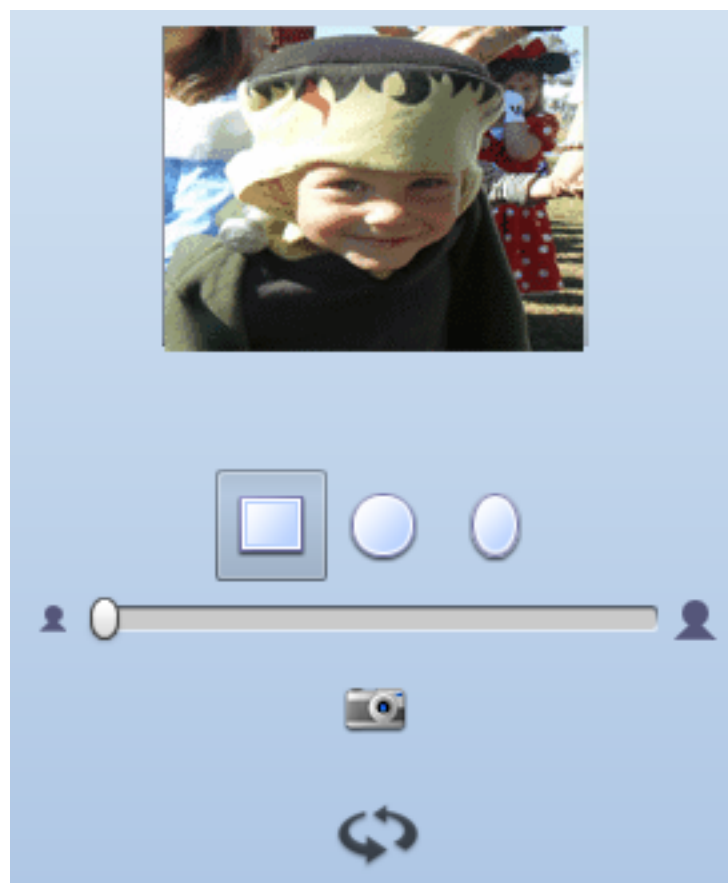

You will see an Adobe Flash Player Settings dialog.

Click the Allow button.

You will see a preview of the camera in the Stickers panel.

Click and drag the zoom slider to zoom the camera in on the picture.

Click the Capture button to take a picture.

The sticker will be added to the page.

Click the Home button on the Stickers panel to go back to the Stickers list.
